Our services

Recognizing the diverse needs of businesses, we offer two distinct delivery solutions:

Instant or ad-hoc delivery

Immediate, contract-free online booking option for same-day or scheduled deliveries available 24/7, with extra labour to load and off-load. Instant cost provided- no product dimensions needed.

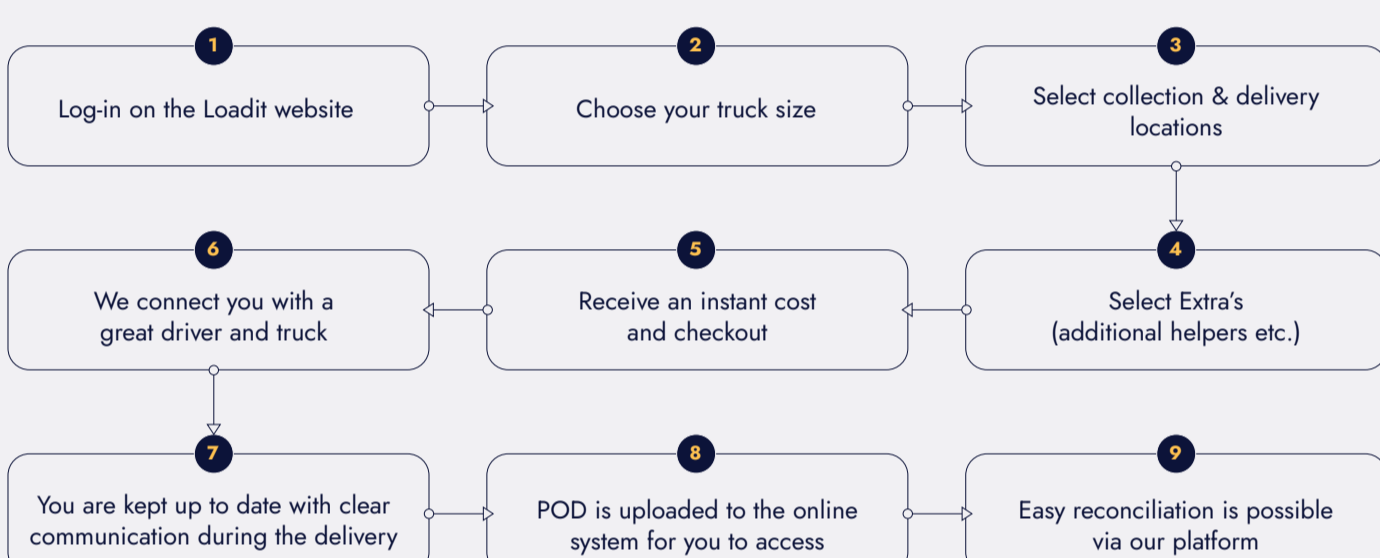

Custom Routing & Scheduling

A comprehensive advanced routing and scheduling option whereby we work out the best routes to save you money and ensure your deliveries are done as efficiently as possible.

How it works

Loadit Essential

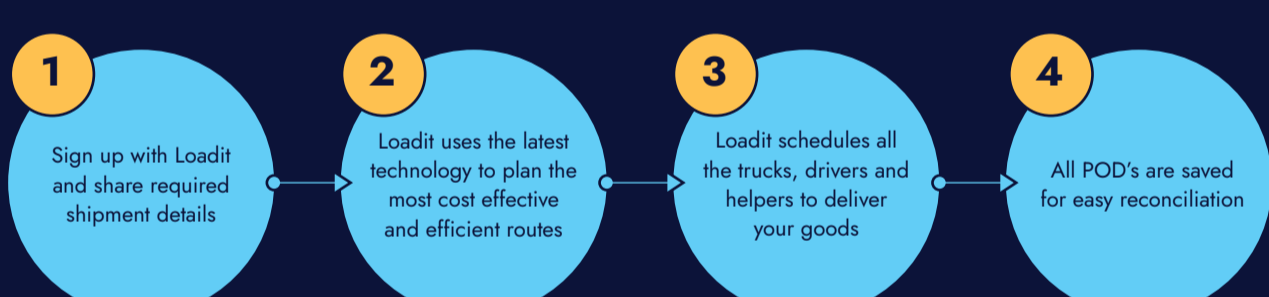

Book our on-demand service by simply visiting our website to get started: (No paperwork, no waiting, no product dimensions and no waybills)

or

Loadit Pro

Let us create and manage all your bookings with our innovative technology, whereby we will assist with optimal routing, scheduling and consolidation if required.

Value added services

- POD image and product photos attached to each job if required
- Goods loss and damage compensation
- Hoisting (2nd floor only), lifting over walls & up or down floors (70kgs maximum)
- BEE: Procurement & Training points
- Product assembly & installation (To be developed in partnership with you)
- "My Fleet": Your chosen fleet of drivers and vehicles

Loadit is owner managed and both co-owners are passionate about job creation in South Africa.

Most drivers that join our platform are owner drivers and assisted by Loadit, grow to becoming employers.

These drivers really understand and care about customer service – Loadit strives to offer the best service in South Africa.

Loadit provides work for micro enterprises through:

- Marketing and sales
- Structure: IT Platform
- Compliance discipline: Security checks, licensing & roadworthiness & training
- Sustainable rates
- Tightly managed service excellence experience

HOW DOES LOADIT IMPROVE CUSTOMER SATISFACTION?

- We can arrange for deliveries within a specific time frame that suits your customer
- SMS communication to your customers letting them know that the order will be delivered today & when it is dispatched
- Helpline for any delivery queries
- Allow the customer to rate every delivery

“We make every customer smile!”

Satisfied customers
